Hi Suzy,

Wow Wow and Wow, the singing waiters were amazing. We had them at our wedding in September in Kilkenny and they were a real surprise and a shock factor for our guests, they were simply amazing and the crowd loved them. We had a truly brilliant day and they certainly know how to get a crowd going. Words can't describe how brilliant they were. There was laughter, tears, and standing ovations, absolutely wonderful.

Also thank you for organising it all and making it all happen you were so lovely to deal with and an absolute pleasure to work with.

Suzy

Thank you so much for organising they were absolutely brilliant, I nearly had to wire my mothers' jaw shut.

They went down a storm and they are such lovely people.

Please tell them all how much we enjoyed their performance and will be recommending them to everyone who will listen!

Hi Faye,
They were BRILLIANT, No one knew about the surprise but I did let the best man in on the secret just before they started singing.
Mount Druid is a super venue and they blended in very well with the staff beforehand. Much enjoyed by everyone.
Thanking you
Kind regards
Frances

Hi Suzy,

Thank you for all your help in arranging the Diva Singing Waiters for our Charity event on Friday they were just fantastic and **its thanks to them that our fundraiser was such a success.**

Their interaction with the diners was superb,
I reckon they learnt a thing or two about serving white wine cold!!

By the second song they had people dancing on chairs!

There was such a 'feel good' factor in the room and carried on through the night, we made great money for our charities – everyone was feeling so generous!

Please pass on our huge appreciation to Laura and the girls for making the night so special.
With every best wish,

Lydia Enso

Hi Suzy,

I hope all is good with you and you had a lovely weekend.

Just a quick mail to say thanks a million for all your help with the Pfizer Christmas Party on Friday and also a huge thank you to all the acts and entertainment manager who put on a great show!

All acts were enjoyed by everyone who attended – one was as good as the next and had people in good spirits from start to end!

I will most definitely be using Audio Networks again – you really made this whole process so easy and we didn't need to worry about anything on the night or the run up to it.

Thanks again,
Hayley

Hi Suzy,

The opera singers went down very well with all the guests.
Their routine was timed perfectly and their song choice was warmly received.

We had kept their appearance as a surprise for the bride and she was delighted with their appearance once she realised that Fergal was not an arrogant chef berating the guests

Regards
Paul

Hi Suzy

Just back in the office today – cant believe it is all over – we had a terrific day and the Singing Waiters really topped it all off – they were AMAZING!!

I have already had the Hotel onto me looking for your details as they have a couple interested and I am sure that other guests will be on in time asking the very same. They really were first class!!

Please pass on mine and Jeffs thanks to both of the guys – we are really looking forward to seeing the videos and pictures to appreciate it all over again!

Many thanks
Sarah

Hi Guys ,

Just wanted to provide some feedback on the Singing Waiters.

We had our wedding on 27th December in Dromoland in Claire.

Although, initially we considered them over our budget, we were so glad that we went for them in the end.

All of our guests absolutely loved them and they really added to our day.

Would recommend them to anyone, if you want a WOW factor, then you got it with these guys.

People are still talking about them.

Regards,
Denise
