Hi Suzy,

As predicted, The Firm were outstanding at our wedding. As promised, here is a testimonial for your website:

We went to see The Firm play one of their sets in Raheny and we knew right from the first song that they were our band. The lead singer Laura took the time to come sit with us during the intermission and then returned to the stage and played our first song...having learned the lyrics in 10 minutes off her phone!

On our wedding day the dance floor was full the entire time because the band played the right songs at the right times. A number of our guests said to us that The Firm were the best wedding band they have ever seen. Laura has a great stage presence and really multiplies the excitement in the room with her incredible voice and lively chat in between songs. A good wedding band makes the night at a wedding - The Firm are a great wedding band and they were a real highlight of our day.

Cheers,

Ian

Hi Suzy,

Just a quick note to say that 'The Firm' we amazing on Friday! They had the place rocking! They were also so friendly and a pleasure to have around on the day! The feedback from my friends and family has been amazing, each one of them commenting on how good they were and how they will be recommending them! Laura also doubled as a makeup artist at one stage!

Please pass on my regards,

Niamh

Hi Suzy,

Can you please pass on our thanks to The Firm for playing at our wedding reception last Friday night (Sept. 25th) at Finnstown. They were awesome!

When we saw them in Jan. at their showcase in the Raheny Inn we thought that they were excellent and booked them straight away. However, when we saw them on Friday night they literally blew us away!!!

From the first song to the last the dancefloor was hopping - literally packed. They suited our guests perfectly and they played at a brilliant, upbeat tempo all night.

Thanks to you also for working with us since our booking in Jan. You are really easy to deal with and so professional.

All the best,

Gearoid and Seamus

Hello Suzy,

Hope all is well. I am back in Toronto and just getting the chance to write you a message. First, I would really like to thank you for your quick responses and advice throughout the whole planning process. You were very professional and I really appreciate that.

Secondly, the band were absolutely amazing!!!! All the guests still can't stop talking how great they were. The guests did not stop dancing. Laura's voice is absolutely phenomenal and I am glad we went with her advice regarding the first dance as it went great! Andrew and I would like to write a review and we are wondering which website or online forum that you would like us to rate the band.

The DJ was also great and he played us the Lebanese songs as discussed. It was a great hit!

Thank you!!!! Rana
